Clarity Blood Glucose Monitoring System

The Clarity Blood Glucose testing system utilize Glucose Oxidase technology that prevents interference with substances such as Xylose, Galactose, and Maltose. Clarity Blood Glucose tests are 15015197 compliant, CLIA Waived, and OTC Approved.

These tests are intended for use in physician's offices, hospitals, at health fairs, and even in the home as an aid in checking blood glucose levels in whole blood to properly manage certain diseases, such as diabetes mellitus.
